

# Royal Ottawa Mental Health Centre

Americas Health

The Royal (formerly the Royal Ottawa Mental Health Centre) is a 188-bed, 400,000 square-foot facility that specializes in mental health-care with a focus on complex cases spanning acute and longer-term patient care.

Services include substance use and concurrent disorders treatment, geriatric psychiatry services, youth mental health services, mood disorders treatment, anxiety disorders treatment, schizophrenia treatment, a sleep lab, and a stress injury clinic.
